Blue Devils Take Long Trek By Car To Play Key West

Coach W. A. Kendrick, Assistant Coach Bill Howard and 22 Pahokee Blue Devils left by private cars early this Friday morning for the long trip to Key West where they will meet the Key West High School's brand new football team on the field of battle tonight at 8:15 o'clock, this being the second contest of the season for both teams with both suffering setbacks in openers last week.

Coach Kendrick is expecting a rough time for the Blue Devils in their tussle with the Conchs, who, though only recently organized, have plenty of power, speed and weight and played like an experienced team against Lake Worth last Friday night. With a 170-lb average in the starting lineup the Conchs will outweigh the Pahokee squad 15 pounds per man and with 35 players to draw on they will have a preponderance of reserve strength.

The Devils were pretty badly banged up in the Clewiston battle. Backs Bobby Schroder and Carney Wilder both have game legs and won't be at their top form in tonight's contest. Kendrick has been stressing blocking and trying to sharpen the Blue Devil's attack with passing drills this week but as practice sessions tapered off he said their plays weren't as sharp as he would like to see them.

He plans to start tonight Rusty Millon and Robert Goodson, ends; Jack Boland and Bennie Sims, tackles; Charles McCurdy and Calvin Herring, guards; Lewis Pope center; Tommy Elliott, quarterback; Bobby Schroder, wing back; Carney Wilder, tail back, and Bill Hatton, fullback.

Last Rites Held For Mrs. Swindle

Funeral services for Mrs. Mamie Lee Swindle, 65, of Belle Glade were held at the Church of God on Barfield Highway Tuesday afternoon, Sept. 25, with Rev. Heaston of Belle Glade officiating. Rev. Heaston was assisted by Rev. James W. Miller of Pahokee.

Mrs. Swindle, a resident of Belle Glade for 13 years, died at her home there Sunday afternoon following a long illness. She is survived by four daughters, Mrs. Alma Smith, Pahokee, Mrs. Mattie Weaver, Belle Glade, Mrs. Ann Hutchinson, Lakeland, and Mrs. Evelyn Williams, Miami; five sons, John C. Clewiston, C. Glenn, Belle Glade, Wilbur G. Perry, David H. and Perry, both of Miami; 32 grandchildren and 11 great grandchildren.

Six of the grandchildren served as pallbearers. Burial was at the Fort Mayaca Cemetery. Berry's Funeral Home was in charge of arrangements.

Many garage fires could be prevented through elimination of as much wood surfacing as possible. Use of fireproof material such as clay tile for walls and floor is recommended, especially in the case of garages attached to homes.

Civic Clubs Hear Three Tax Experts

Members of the Pahokee Rotary Club, the Pahokee Lions Club and the Canal Point Lions Club met jointly at a luncheon in the County Park community building Thursday of last week to hear three tax experts explain how the individual or a business concern can legally reduce income taxes.

The speakers were Charles Moorehead, Miami attorney, H. B. (Tilly) Walker of Hollywood, insurance agent, and Mr. Hayes, director of the trust department at Biscayne Bank, Miami. They were introduced by Rep. B. Elliott. Luncheon plates were laid for 150 club members and guests.

Garden Club Holds Supper Meeting At Community Bldg.

The Pahokee-Canal Point Garden Club held a social and supper meeting at the County Park community building Tuesday evening, with the families of club members attending as guests. Invited as special guests were members of the Pahokee City Council, City Clerk Clyde Alley, County Commissioner Chairman Paul Rardin and Rep. B. Elliott.

Mrs. Anderson Chastain was in charge of the unique and striking table decorations made up of croton leaves and the blossoms and fruit of tropical trees and plants including the custard apple tree, the sausage tree, the papaya tree, the rough lemon tree, the hot pepper bush and the night blooming cereus.

Mrs. C. M. Todd, club president, gave the address of welcome to the guests. Mrs. Frank Friend, program chairman, introduced Mr. and Mrs. R. L. Brooks who showed two colored motion pictures, "The Migration of Birds" and "A Trip to Hawaii."

At the brief business session the club voted to cooperate with other civic groups in the sponsorship of a cancer prevention lecture to be held at the Woman's Club on Oct. 9. It was announced Mrs. G. Newcomb of Miami Beach and Mrs. Talmage Coffey of Coconut Grove will be guest speakers at a general meeting of the garden club in the community building on Oct. 10. Members of the Belle Glade Garden Club will be invited guests at this meeting.

Training School For Officers And Teachers

The Board of Christian Education of the Pahokee First Methodist Church voted to conduct a training school for Sunday School officers and teachers at a board meeting held at the church Tuesday night with Chairman Clyde A. Canipe presiding. The date of the training school will be announced later.

The board decided to call for regular meetings of Sunday School officers and teachers the first Tuesday night of every month. O. B. McClure was appointed substitute teacher of Mrs. I. M. Lair's Senior Class.

Many Colleges And Uncle Sam Get PHS Graduates In 1951

Pickett, Jr., Donaldanson, Richard Ogle, Charles Laisrey, Ollis Weaver, Jack Sullivan, James Riffe, Davis Mills, John Ogle, William Miller, Gene Miller, Bernard Justice, Bill Justice, Leland Hughes, Charles Humphries and Wilbur Echols.

Miss Nell Dunaway Dies In Valdosta

Miss Nell C. Dunaway died Wednesday at a hospital in Valdosta, Georgia.

She was vacationing at her home at the time of death. She has been a resident of Pahokee for the last sixteen years, making her home here with Mr. and Mrs. Robert J. Schroder. She was a member of the Pahokee Baptist Church and was associated with the Everglades Insurance Company in Pahokee.

She is survived by two sisters: Mrs. Grace Van Landingham and Miss Sara Dunaway, both of Valdosta, Georgia. Also two brothers: Roy A. Dunaway of Quincy, and Dr. Carl Dunaway of Miami, Fla. The funeral will be held Friday at 2 p. m. in Valdosta, with the Valdosta Funeral Home in charge of arrangements.

Right-of-Way Clear For Work To Start On Bacom Point Road Extension

New Directors To Be Named By C of C

The board of directors for the Pahokee Chamber of Commerce has announced the first annual meeting of the entire membership of the chamber will be held in the city hall Tuesday, Oct. 9, at 8 p. m. Four new directors will be elected to fill vacancies. A nominating committee has recommended Leon Burnett, Joe Alderman, Gordon Hillier and H. J. Clause for these offices and other nominations may be made from the floor at the time of the election.

Miss Myra Baxter Is Worthy Advisor Order Of Rainbow

Miss Myra Baxter was installed new worthy advisor of the Pahokee Assembly, Order of the Rainbow, at a special meeting of the assembly in the Masonic Hall Sunday afternoon.

Other new officers inducted were Stella Sue Barnes, worthy assistant advisor; Wynell Gillis, charity; Donna Jo Spooner, hope; Marie Sapp, faith; Joyce Lynn Hurt, chaplain; Carol Cowart, drill leader; Aleph Hall, love; Sandra Long, religion; Phoebe Ann Ramey, nature; Judy Staring, immortality; Carol Jo Guthrie, patriotism; Judy Cowart, fidelity; Charlotte Cate, service; Joyce Lindsay, confidential advisor; Faith Brown, outer observer; Linda Cowart, choir director, and Rose Marie Henderson, musician.

Miss Rita Faye Hurt, past worthy advisor, acted as installing officer; Mrs. Edna Barrett, installing chaplain; Miss Shirley Ann Ammons, installing recorder; Miss Shirley Watson, installing marshal, and Miss Gloria Stuart, installing musician.

Miss Louise Hatton presented corsages to each of the new officers and Miss Baxter, the new worthy matron, pinned corsages on the installing officers.

At the conclusion of the ceremony refreshments were served by Mrs. Haywood Baxter.

County's Newest And Smallest Park Named After Byrd

The county's newest and smallest park was named this week for C. Y. Byrd, Delray Beach and former county commissioner.

The park is a tiny area next to the court house which is shaded by a huge rubber tree—a tree that for many years was the pride of Byrd when he was a member of the board.

The designation of Byrd Park was approved by the commission Monday on a motion by Commissioners Kenneth Foster and John Prince.

Everglades residents were a step nearer to having another stretch of highway this week with action by County Commission Chairman Paul Rardin which cleared the way for construction of Bacom Point Road extension.

Rardin steered passage of right-of-way settlements for the extension, known as State Road 717, through the county commission at its regular meeting this week. The chairman said that approval of right-of-way agreements was the final step before starting construction of the new road.

In another development affecting the Glades, Chairman Rardin won the support of the commission in granting a waiver of property encroachment on county road and subsequent approval of a new plan for Oscella Groves.

In an effort to clear up the civilian status of several items in connection with Palm Beach International Airport and its use by the Military Air Transport Service, Chairman Rardin named a four man committee to work out arrangements and protect the county's interest at the airbase.

Named to the airport committee were Commissioners Lake Lytal and Kenneth Foster, County Engineer J. M. Boyd and County Attorney Harry Johnston. The quartet were instructed to meet with Airforce officials as soon as possible to work out terminal headquarters for commercial airlines operating on the base; assist in

Funeral Services Mrs. Edna Rogers

Funeral services for Mrs. Edna Lavada Rogers, 65, were held at the Pahokee First Methodist Church Wednesday, Sept. 26, at 3 p. m., with Rev. Ralph W. Todd, pastor, officiating.

Mrs. Rogers, mother of John D. Rogers of Pahokee, died at the Fort Pierce Hospital Monday following a long illness. She had made her home with her daughter, Mrs. Nellie Wood, in Fort Pierce for the past two years.

Survivors include four sons, John D. Pahokee, J. T. Nashville, Tenn., M. R. Meridian, Miss., and A. P. Rogers, who is in the Coast Guard, stationed at Norfolk, Va.; three daughters, Mrs. Wood, Fort Pierce, Mrs. J. C. Davis, Andalusia, Ala., and Mrs. Ethel King, Perry, Fla.; one brother, one sister, 20 grandchildren and four great grandchildren.

During the services a mixed quartet composed of Mrs. Barbara Branch, Mrs. Duncan Padgett, Chandler McIlwain and John Dunlany sang "Beyond the Sunset" and Mr. Dunlany sang a solo, "Near the Cross," with Miss Rita Faye Hurt at the organ.

Pallbearers were M. P. Holman, O. B. McClure, Harold Rosenberg, Paul Riddle, Rev. H. H. Shirley and Millard Laisrey. Burial was at the Fort Mayaca Cemetery.

News Notes From State Capital

TALLAHASSEE—The political picture for 1952 cleared a little this week with the announcement from Millard Caldwell, former governor and now U. S. civil defense administrator, that he will not be a candidate for governor again. He told a special press conference here that he hoped to retire to his farm, that in next spring's elections he would vote either for Comptroller Gay, Supreme Court Justice Adams or State Senator Baynard, not Dan McCarthy, whom he supported in 1948. Meantime, reports from Miami said Senate President Wallace Sturgis of Ocala is feeling some pulses, also may run for governor.

TALLAHASSEE—Word that Democratic funds from Florida went to help elect U. S. Senator Lester Hunt of Wyoming was confirmed here by Millard Caldwell, who was governor from 1945 to 1949. He said he had helped collect money to assist Democrats, of which Hunt was one. Governor Warren recently has attacked Senator Hunt, a member of the senate crime committee, for alleged gambling and racketeering in his own state.

TALLAHASSEE—Fuller Warren returned to Florida after putting his name to bonds for \$21-

250,000 to build the lower Tampa Bay bridge, and inspecting the Pennsylvania Turnpike. The governor may endorse the idea of a super highway along Florida's East Coast, to eliminate paralyzing traffic conditions. Warren asphed what he called the "eye test" (remember the citrus taste test?) to the 270-mile Turnpike, reserved judgement on whether he would recommend the same thing for Florida.

TALLAHASSEE—Florida State University, which is enrolling more than 5,000 students this year, will hold its 1951 homecoming on October 26 and 27, according to President Doak S. Campbell. The two-day celebration will be high lighted by a game with Stetson University during the afternoon.

TALLAHASSEE—Attorney General Richard W. Ervin has appealed to the Florida supreme court to reconsider its recent decision freeing some 22 big time Miami gamblers from prosecution based on testimony gained under faulty search warrants. The attorney general said the effect of the court's decision is to make justice inefficient and to coddle the law-evading classes of the population.

were sold at the market—a new record for 1951.

H. L. Speer, Assistant County Agricultural Agent, estimates approximately 8,000 acres of corn grown the past summer to be processed into feed for cattle fattening.

Two million vegetable packages were processed by Pioneer Growers, Belle Glade, by June 1, 1951. This is one of the largest, if not the largest, vegetable Co-operatives in America.

Charts showing increased bank deposits and resources, continuing high building permit totals and soaring postal receipts will appear in the new booklet of progress. These are tangible and sure barometers of growth.

1200 acres planted to Gladioli and other cut flowers in Palm Beach County produced 1,800,000 dozen with a sales value of \$1,250,000—a lot of bouquets.

An inventory of schools, churches, hospitals and nursing homes reveals ample facilities are provided by Palm Beach County citizens to insure the welfare of its people.

Annual Convention Of Vegetable Group

ORLANDO—Distinguished guests from neighboring countries and from private and government organizations who have an interest in Florida's agriculture, have accepted the invitation of the Florida Fruit and Vegetable Association to attend the Eighth Annual Convention of the Association at Miami Beach, October 3, 4 and 5.

General Robert N. Neville, Governor of the Bahamas, and Mrs. Neville, accompanied by an official party, will attend the three-day meet. Senators Spessard L. Holland and George Smathers have advised that they will be present if Congress is adjourned on schedule.

LaMonte Graw, general manager of the Association, has also announced that representatives of the U. S. Department of Agriculture, University of Florida and representatives of the vegetable industry of Mexico and Cuba would also be on hand.

"There is no doubt that our forthcoming convention will bring to Florida the greatest assemblage of experts and authorities on the many phases of this complex industry that Florida has ever seen. The presence of dignitaries from other countries is evidence of the scope of this great enterprise," Graw said.

Senator Sturgis May Run For Governor

MIAMI—Senator Wallace E. Sturgis of Ocala hinted broadly last week that he is as good as in the running for election next year as governor.

"I'm seriously considering making the race," he said, during a brief Miami stopover. "The probabilities are more on the plus than the negative side, but I'm not prepared to make a final statement at this time."

Senator Sturgis' apparent decision to throw his hat in the ring would make him the state's number two candidate. Dan McCarthy, of Fort Pierce, 1948 runner-up to Governor Fuller Warren, already has come out openly as a candidate.

Bishop Louttit To Speak In Pahokee

Bishop H. T. Louttit is scheduled to conduct the Sunday morning services at the Episcopal Church of the Holy Nativity on Canal Point Road, starting at 11 a. m.

Following the services Bishop Louttit will be honored by members to the church at a fellowship dinner to be held on the lawn at the home of Mr. and Mrs. Norman Kennedy, St. Mary's Guild is sponsoring the dinner, with Mrs. W. A. Cross heading the committee in charge of arrangements.

Tod Swalm Heads Sarasota CoFC Body

SARASOTA—Tod Swalm, of Winter Park, has been appointed manager of the Sarasota County Chamber of Commerce, it was recently announced.

He is former chief of the Florida State Advertising Commission's news bureau, with 15 years experience in newspaper, radio, advertising and promotion work.

A resident of Florida since 1945, Swalm was born in Trenton, N. J., reared in Wheeling, W. Va., and worked in New York City prior to World War II. He served as Captain in public relations during the war being stationed, among other places, at the Sarasota Army Air Base.

Prior to assuming his new duties Swalm operated a public relations and commercial photography business in the Orlando area. He is a free lance contributor to national magazines.

YEAR ROUND DEAL

TAMPA—Florida citrus canning operations have become a year-around business.

Brue's Juices, Tampa canning firm, is winding up processing of fruit this summer and immediately starts in on grapefruit from the new season's crop.

It's the first time a Florida citrus cannery has kept its doors open all 12 months for citrus canning, said Bert Livingston, secretary of the Cannery League of Florida.

PALM BEACH COUNTY HAS

Palm Beach County has:

Forty-one scenic miles of Atlantic Ocean Shore line ideal for surf bathing.

Thirty-six distinct towns and communities.

Half million acres of organic black muck Everglades soil, probably the most fertile in the world, available for development.

The only commercial ramie fiber growing and processing plants in America.

The first kenaf grown for fiber on a commercial scale in the United States (kenaf is a superior substitute for jute used in the making of burlap bags.)

Other crops depicted include: Sugarcane, tropical fruits, corn flowers, nursery stock, forage (sweet and field varieties), cut crops.

17,285 cattle were sold through the Glades Live Stock Market for a total of \$2,204,426 during the first 15 months of its operation. Monday September 10th, 591 cattle

were sold at the market—a new record for 1951.

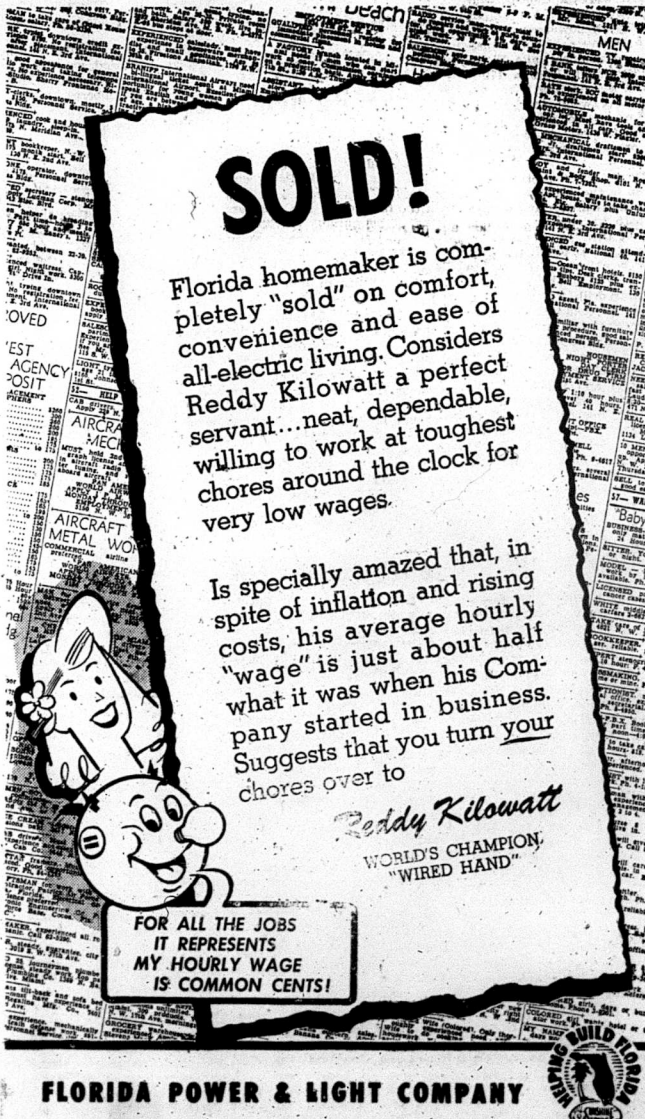

H. L. Speer, Assistant County Agricultural Agent, estimates approximately 8,000 acres of corn grown the past summer to be processed into feed for cattle fattening.

From where I sit... by Joe Marsh

Skip Makes a Slip

Miss Gilbert, the teacher, was telling me how Skip Lawson almost went to sleep in her physics class.

She noticed him nodding and—since they were discussing electricity—said in a loud voice: "Now maybe MR. LAWSON will explain what electricity is." Skip started up, looked around wildly, and blurted out, "Gee! I used to know, but I forgot."

"What a loss to science!" sighs Miss Gilbert. "No one to this day knows what electricity really is, and here we have a genius who could explain it—"

From where I sit, I hope this taught Skip that you're better off if you admit you don't know all answers. Some grownups haven't learned that yet—like the ones who are always telling other people what's best and what's right and what's wrong. I like a temperate glass of beer, myself, but if you prefer buttermilk I won't argue. I've seen too many "geniuses" just out to be wrong.

Colored College Wants Arts, Sciences

JACKSONVILLE — The State Board of Control was asked recently to give financial support toward establishing a museum of natural history, arts and sciences at Miami.

After hearing Henry Cobbe, Miami fruit dealer and citrus grower, outline the plan, board members ordered an immediate study to determine if state funds can be used. Cobbe owns a large structure in Miami in which he proposes the state set up the museum. He told the board he does not expect to make any money from the proposal except for a reasonable amount of interest on the money he has tied up. He abandoned the structure recently when his business moved its fruit operations to Lake Wales.

The board also tentatively agreed to lease ground at Florida A&M College for the erection of towers for a third radio station to be built by J. Kenneth Ballinger at Tallahassee. A change was also ordered in the preparation of a marriage course at Florida State University by using new textbooks and the University of Florida was instructed to begin thinking about setting up television at state-owned radio station WRUF, Gainesville.

Yankee Dollars To Be Aim Of Gathering

TALLAHASSEE—Business and civic leaders who have a vital stake in the tourist industry will come to Tallahassee Oct. 19 to help the State Advertising Commission lure more and more Yankee dollars to Florida.

The Advertising Commission voted to request Governor Warren to invite airline, railroad and bus company heads, hotel and resort men, chambers of commerce and auto association heads and other whose prosperity is linked with visitors to attend a "tourist seminar."

The Governor suggested the tourist seminar be held either at nearby Wakulla Springs or at the executive mansion and include a buffet lunch. He said there are 147,000 Americans outside of the state who are "ready and willing, if not eager to receive the gospel of tourism. We must see they receive it if we are to fill the church of Florida."

Equal Facilities Are Provided For Negroes

JACKSONVILLE—A delegation of Florida Negroes recently asked the State Board of Control to eliminate racial segregation at the University of Florida, Florida State University and Florida Agricultural and Mechanical College.

The board of control said it does not have the authority. It advised the delegation a decision of the U. S. Supreme Court or an amendment to the state constitution would be necessary. Several months ago the State Supreme Court said if equal facilities are provided at Negro institutions, the White schools would not be required to admit Negroes.

Frank M. Harris, St. Petersburg lawyer who is chairman of the Board of Control, thanked the delegation for coming before the board.

"We appreciate the splendid way in which you presented your problem, and through education we will develop a better mutual understanding between the races," he said.

In contrast to past winters, apprentice riders had a rough time of it this past season at Hialeah. A total of 25 races went under the wire before a "bug boy" could get home first on a horse.

Northerners with a limited time for vacation are finding that they can visit Florida very economically by taking advantage of National Airlines 4-1/2 mile coach service.

Homer J. Clause and Wendell Harris are spending a few days in the Ocala National Forest on Business.

The Altar Society of St. Mary's Church will sponsor a benefit bake sale in front of Jones Hardware store on Saturday, Sept. 29. Mrs. C. L. Wilder is chairman of the committee in charge of arrangements.

Willard Smith, Pahokee pioneer settler, is reported to be critically ill at his home in Lake Worth.

Mrs. Sarah Barfield and daughter, Miss Lulu Barfield, returned recently from Orlando where they were called by the illness and death of Mrs. Barfield's brother, Henry Osteen, 79.

Mrs. Earle Pitts entertained at her home recently with a farewell party honoring Miss Dorothy Tripp, prior to Miss Tripp's departure for Nashville, Tenn., to enroll for her second year at Trevecca Nazarene College.

Clarence Padgett of Canal Point is recuperating from an appendectomy performed at the Everglades Memorial Hospital Saturday.

Mrs. P. E. Simonson of Girard, Ill., arrived Sunday for a visit with her son and daughter-in-law, Mr. and Mrs. R. B. Simonson. Mrs. Simonson is a patient at Good Samaritan Hospital, West Palm Beach, where she recently underwent surgery.

Mr. and Mrs. Howard Holman and son were called to Charlotte, N. C., the first of the week by the death of her grandfather, L. M. Putnam, who died in that city Sunday. Mr. Holman has returned home. Mrs. Holman and son remained for a visit with relatives.

Mr. and Mrs. Clinton James and son, Billy, and Mrs. B. Anderson and daughter, Harvettine, all of Lyons, Ga., visited their uncle and aunt, Mr. and Mrs. O. T. Usher and family, here this week.

George M. Belk, Jr., has returned from a visit with his aunt, Miss Pet Belk, and other relatives in North Carolina. He also visited his mother in North Florida enroute home.

Tourist Business Is Envied By California

TALLAHASSEE—Florida, now breezing along in the best business year of its history, is in for tough competition from New England and California. They've loaded their guns and are deadly serious in the battle that suddenly has swung into a near billion-dollar-a-year bracket, says the State Advertising Commission.

"New England resort and hotel owners have suffered as much as a 30 percent loss in summer business," reports Beverly Grizzard, acting director of the advertising commission.

"Resorts in the Catskills and the Poconos are mourning a 25 percent reduction in summer business. Even Michigan, one of the largest tourist states, had fewer reservations," Grizzard stated.

Toll Road Gets Okeh Of State Road Dept.

FT. MYERS—The State Road Board, meeting at Clewiston recently, voted unanimously to proceed with a survey for a toll super-highway linking Jacksonville and Miami nad then travelled to Ft. Myers to open bids on new projects in 22 counties.

The East Coast toll turnpike survey was approved at the Board's monthly meeting after Alfred A. McKethan, chairman of the board, declared that section was the board's greatest problem and the turnpike was "the only answer."

He said it would "in no way hinder plans for rehabilitation of U. S. 1 and State A-1-A," and added, "there wouldn't be enough money realized from the gas tax in our lifetime to four-lane U. S. 1."

EDUCATIONAL BLUEPRINT

JACKSONVILLE — A comprehensive study of higher learning in Florida was recently started by the state legislative council's four-man subcommittee on education. The Subcommittee of Control, holding the responsibility for policies of the three state-supported institutions of higher learning, will make a survey at the same time.

The state legislature, having the ultimate responsibility for reviewing the policies of the three schools, University of Florida, Florida State University and Florida A&M College, will receive the reports.

S. Sherman Weiss of Tallahassee, director of the reference bureau, attended the meeting and will work with the control board's secretary, William F. Powers, in helping the two groups develop the educational blueprint.

ACCEPT RATE OF INTEREST

TALLAHASSEE — An interest rate of 3.34 per cent on a \$21,250,000 bond issue to finance the Lower Tampa Bay bridge was accepted by the Senate Improvement Commission. Only one bid for the bonds was received. It came from a syndicate headed by A. C. Allyn and Company, Inc., of Chicago and Chidress and Company of Jacksonville.

Work on the project linking St. Petersburg and the Bradenton area already has started with money advanced by the State Road Department, and contracts for virtual completion only await issuance of the bonds.

Dr. F. G. Walton Smith, director of the Marine Laboratory of the University of Miami, assisted by Dr. Hillary B. Moore, is continuing his study of the various species of plankton which are multiple billions of tiny plants and animals that float, swim and pulk through the seas. It is believed they were responsible for the red tide which destroyed thousands of fish in the Gulf a year or so ago.

Clewiston Tigers Defeat Blue Devils In Opener

The Clewiston Tigers let the Pahokee Blue Devils run up at 12 point lead in the opener on Last Field Friday night, then suddenly came to life in the latter part of the second quarter and quickly got two touchdowns to forge ahead, winning the game 14 to 12.

The work of Bobby Schroder, both of the offensive and defensive, sparked in the Blue Devil plays, while Benny Sims and Buddy Hewell did some effective line chorea. As expected, Ray Pittman and Jack White were outstanding in the Clewiston backfield while Billy Blount and Jack Dayton did well in the line.

The Blue Devils had it all their own way during the first quarter, setting the scene for their first touchdown when they took a punt on their own 41 and with Fullback Bill Hatton, Halfbacks Bobby Schroder and Carney Wilder carrying the ball, they moved it in six plays down to the Tiger 20 where Schroder sailed around left and for the first touchdown of the season, but his drop kick for the extra point went wide. A few minutes later Quarterback Elliott also went across the Clewiston goal line but the play was nullified by a five-yard penalty against the Devils. Schroder scored again shortly after the start of the second quarter when he repeated his left leg jaunt to pay dirt however his drop kick conversion try was again wide.

The Tigers' spirits were lifted near the middle of the second quarter when their tackle, Bob Dickerson, recovered Schroder's fumble on the Pahokee 45 and in four plays they drove to 2 where Pittman's fumble was recovered by the Blue Devils who kicked out to Clewiston 41. Eight plays later the Tigers were back at the Pahokee 15 where Pittman knifed

through left tackle for the TD and J. V. Tanner bucked the line for the point.

The most spectacular play of the game occurred near the start of the second half when Pittman fumbled the ball and after juggling it around a bit he finally picked it up ten yards behind the scrimmage line at the Tiger 30 as three Blue Devils converged on him. In desperation he took a wild shot down field and the ball fell neatly in the arms of Jack White completely surrounded on the Pahokee 45 by a group of Blue Devils who stood flat-footed in open-mouthed astonishment as they watched White make his easy canter to the goal line. Pittman went through the line for the conversion.

The Tigers fumbled all over the field during the game, losing the ball to the Blue Devils seven times but the Pahokee eleven didn't seem to have the power to capitalize on the breaks handed them at any time during the second half. The Blue Devils' aerial game also was a disappointment to local fans. Of their 14 passes attempted two were completed for only 11 yards and one was intercepted.

It was a hard game to understand. During the entire first quarter and over half of the second quarter the Blue Devils played rings around the Tigers and from then on it was vice versa or "worse."

Mrs. Susie Renfro has arrived to spend the season with her sisters, Mrs. W. A. Howell and Miss Elizabeth Caraway, in Pahokee after spending the summer in Fayette, Ala. Enroute here she visited Mr. and Mrs. Max Ammons in Leesburg and Mr. and Mrs. A. C. Santo in Orlando.

BISHOP LOUITTIT

Next Sunday will be a gala day for the Episcopalians of this area when the Right Reverend Henry I. Louttit, D. D., bishop of South Florida, makes his annual visitation of the Church of the Holy Nativity, Pahokee. Bishop Louttit, is well known here, having served for ten years as rector of Holy Trinity Church, West Palm Beach, before his election as a bishop. It was during the West Palm Beach rectorship that the Pahokee mission was started, largely due to Dr. Louttit himself. The service at which the bishop will officiate and preach will begin at 11:15 a. m. The general public is cordially invited.

Right-Of-Way Clear—

Continued from page 1 forming a committee to initiate a program of recreation for service men to be stationed at the base; assist airport tenants in clearing the field.

The recreational program was suggested by a committee of West Palm Beach ministers who appeared before the commission and asked that the same groups who pushed for reactivation of the field be asked to spearhead some plans for inaugurating servicemen's centers or other recreational facilities for the MATS airmen.

The ministerial committee will support to the commission and a pledge from Chairman Rardin that the board would lend full cooperation to any such plan that could be developed.

Other actions by the board included: Appointment of a committee by Chairman Rardin, composed of Lytal, Boyd, and Dr. W. E. VanLandingham, county physician, to consider purchasing some kitchen equipment and landscaping tools for the white and negro county homes.

Authorized Engineer Boyd to work closely with the State Water Survey and Research agency on a forthcoming study of beach erosion.

Heard a report that construction of a new bridge across the Inland Waterway on Atlantic Ave in Dey Beach would start this week. Commissioner Ben Sunday, representing District 5, said that opposition to building the bridge at this time, had been withdrawn. The board instructed engineer Boyd to provide ferry facilities for pedestrians to cross the waterway while the new bridge is being built.

The commission also made plans to work out an agreement for settlement of two county land transactions. They authorized Commissioner John Fringe to go to Washington D. C. to meet with representatives of the Department of Interior to attempt procurement of 75 acres of land at Jupiter for park purposes and to secure land west of Lake Worth as access way into the Fish and Wildlife Service's conservation area in the county.

Ordered that copies of the state sanitary code be filed with Alex Arnette, circuit court clerk; Engineer Boyd and with R. B. McKee, executive secretary of the commission. The sanitary code in the future will be enforced by the commission in approving applications for licenses made by Master Plumbers. State law now provides that Master Plumbers file a surety bond with the commission.

Approved employment of Maurice Holly and R. H. Plockman as architects to prepare plans for remodeling the courthouse.

Heard a report that the county jail had been completed at a cost of \$558,261 and that funds were available for full payment of the project. Some \$30,000 remains in final estimate on the work.

Authorized installation of a blinker traffic signal at the intersection of Congress Ave and 10th Ave. N. in Lake Worth.

Designated a one mile stretch of road, south from Hypoluxo, as a county road and named the highway, Hime Road.

Local Baptists To Install Workers

The Canal Point Baptist Church will install more than fifty workers at a special candle-light installation service on Sunday evening September 30, at 8:00 p. m. Among those to be installed are Charles Maxson, S. S. Supt., Mrs. C. H. Jones, W. M. U. President and Mrs. Charles Maxson, Training Union director.

Immediately following the installation of officers there will be with a baptismal service at which time A. R. Chastain, C. H. Jones and R. S. Stokes will be ordained as deacons of the church. They were elected by the church last Sunday morning.

The evening program will close with a baptismal service at which time Mrs. L. L. Horne of Canal Point will be baptized. You are cordially invited to attend all the services of worship.

David and Roger Simonson, small sons of Mr. and Mrs. R. B. Simonson, have returned home after spending a week with Mr. and Mrs. Lloyd Hundley and family while their mother was in the hospital.

R. Y. Patterson, general manager of Conners Highway, was in Canal Point today, part of a trip of inspection of the road and water conditions. His only suggestion for alleviation of the general situation is the lowering of the lake by every means available.

Points at the south end of Lake Okechobee are accessible by cars from West Palm Beach by way of twenty-mile bend and Belle Glade road thence by boat from Chosen. The Fitz-Hugh bus is maintaining its schedule.

James E. Beardsley for several years a resident of Ritta where his father, D. W. Beardsley still lives, is now an assistant to O. J. Myers, receiver of the Palm Beach Bank & Trust Company of West Palm Beach. Because of his acquaintance with the lake region, Mr. Beardsley was put in charge of re-

lief for the upper Everglades by the American Legion and the Red Cross.

O. P. Griffin this week moved the remainder of his mercantile stock to Fort Pierce. He will run two stores there, one a grocery and the other general. A. C. Sasser, who lived in Canal Point for a time, will conduct the grocery store for him.

Mr. and Mrs. A. L. Pope have gone to Georgia for a stay while the water remains high.

Fred Reynolds, who went to West Palm Beach last week, returned Wednesday. He probably will go away again and stay until the water is low enough for him to put in a crop on his land north of town.

Sheriff Robert C. Baker has received a petition from residents of Pahokee asking that George Rogers of that place be appointed a deputy sheriff. The sheriff said the petition may have been sent under some misapprehension as he had not contemplated appointing a deputy for Pahokee but he would take the suggestion under advisement.

Many people are moving away now, because of high water. Among those who have gone are: Mr. and Mrs. Spate Spooner and family, Mr. and Mrs. A. C. Eason and baby, Mr. Brund, Mr. and Mrs. Frank Davis, and Mr. and Mrs. A. H. Mattox and little girl, Mr. and Mrs. Oscar Atkins and two children.

Mr. and Mrs. Ernest Lindorse have rented Ransom Green's store and intend to sell groceries there just as soon as the stock of groceries comes.

J. B. Elliott and son, Elmer B. motored to St. Augustine Sunday on a business trip, returning Monday night.

Conners Highway is closed between Canal Point and twenty-mile bend because water is over the road in spots for a distance of about five miles. Traffic is not permitted to use the road between twenty-mile bend and Canal Point because of the chance to accident to persons who do not know the route.

Pending re-opening of Conners Highway to West Palm Beach and other points on the east coast, the route is via Okechobee and Fort Pierce. Date of re-opening the east section of Conners Highway depends on when West Palm Beach canal goes low enough to dry the water off of the road.

The Ladies Aid Society and the Woman's Club have opened a relief station in the Community church building next to the Post Office. A number of families have been supplied with food and clothing. All appeals are being investigated and relief given when found necessary. Two ladies are on duty each day from nine to four.

Seniors Pick Their Outstanding Students

The Pahokee High School Senior Class selected by secret ballot Monday members of the class who are to be honored with superlatives in the yearbook, "The Devil's Trail", for 1952.

Dick Atkins and Ada Tillman took top honors, with Dick tagged by his classmates as superlative in six different classifications and Ada in four classifications.

Senior Class superlatives: Best looking, Charles McCurdy and Patsy Wroten; best dressed, Alfred Meeks and Patsy Wroten; cutest, Mac Lynn and Donna Jo Spooner; wittiest, Carney Wilder and Dorothy Fields; flirtiest, Carney Wilder and Gloria Stuart; most concerted, Millard Stanley and Rita Faye Hurt; best allround, Charles McCurdy and Gloria Stuart; most likely to succeed, Dick Atkins and Ada Tillman; most popular, Charles McCurdy and Gloria Stuart; most talented, Dick Atkins

and Louise Hatton; best dancers, Millard Stanley and Donna Jo Spooner; best personality, Mac Lynn and Gloria Stuart; most dignified, Dick Atkins and Leonne Gamot; most studious, Dick Atkins and Ada Tillman; most intelligent, Dick Atkins and Myra Baxter; most athletic, Carney Wilder and Wynell Gillis; most service to school, Mac Lynn and Ada Till-

man; most dependable, Dick Atkins and Ada Tillman.

Mrs. O. B. McClure, accompanied by her daughter, Mrs. Robert Apelgren, left Tuesday for Miami to be with her daughter, Miss Ruby Jane McClure, who was scheduled to undergo surgery at Jackson Memorial Hospital on Wednesday of this week.

Christian Science Group Of Canal Point

Spiritual reality—the true universe of God which can be seen through spiritual understanding—will be elucidated in next Sunday's services in all Christian Science churches. Subject of the Lesson-Sermon is "REALITY".

The Golden Text is from Jeremiah: "The Lord hath brought forth our righteousness: come, and let us declare in Zion the work of the Lord our God" (Jer. 31: 10).

Among the Bible selections is the following: "For since the beginning of the world men have not heard, nor perceived by the ear, neither hath the eye seen, O God, beside thee, what he hath prepared for him that waiteth for him" (Isa. 64: 4).

Passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "All substance, intelligence, wisdom, being, immortality, cause, and effect belong to God. These are His attributes, the eternal manifestations of the infinite divine Principle, Love. No wisdom is wise but His wisdom; no truth is true, no love is lovely, no life is Life but the divine; no good is, but the good God bestows" (p. 275: 14).

McClelland Resigns As PTA Head C. P.

L. V. McClelland resigned as president of the Canal Point Parent-Teacher Association at a meeting of the PTA executive board at the home of Mrs. R. T. Smith Tuesday. In a letter to the board Mr. McClelland stated increased business responsibilities necessitated his resignation.

The board recommended that PTA again sponsor a Halloween carnival for school children in October, with board members and room mothers to be in charge of arrangements; also that PTA present \$5 to each school room that has the father and mother of every pupil enrolled in PTA membership by Nov. 15 and \$2 to each room that has either the father or the mother of every pupil enrolled in PTA by Nov. 15.

These recommendations are to be voted on by all PTA members at the next meeting which will be held in the school auditorium Monday, Oct. 1, at 8 p. m. It was announced a Florida Highway Patrol officer will show a film on "Safety on the Highway" at this meeting.

Fellowship Group To Meet Thursday

Another meeting of the group comprising the Christian Fellowship Association will be held next Thursday night—the first Thursday in the month—at county park community building in Canal Point. There will be a charge of \$7 for the dinner and no other charge, those handling the meeting said.

Mr. and Mrs. Bill Greer have returned to Belzoni, Miss., after a brief visit here. They were accompanied to Mississippi by Jack Phillips who went to bring back his truck which he was using in that area this summer while in the airplane crop dusting business.

Births

Mr. and Mrs. Robert Martin of Pahokee announce the birth of a son, Kenneth, at the Everglades Memorial Hospital, Sept. 21.

Mr. and Mrs. John Thomas Miller of Pahokee announce the birth of a son Thomas Wayne, at the Everglades Memorial Hospital, Sept. 22.

Mr. and Mrs. R. A. Hewell of Berkely, Calif., are the parents of a son, Bobbie Dennis, born Sept. 14. The young man tipped the scales to six pounds and seven ounces. His grandparents in Canal Point received the word last week.

Sugar Cane Lab To Be Established Canal Point Soon

WASHINGTON—A sugar cane expert is leaving the U.S. Agriculture Department to conduct sugar cane research at Canal Point. Dr. George Arceneaux plans to resign on Oct. 13 to do research work for the United Fruit Co., the West Indies Sugar Corp. and the Cuban American Sugar Co.

Mrs. Arceneaux told a reporter her husband will be engaged in the sugar cane breeding and testing work at a laboratory three companies will establish at Canal Point.

She said the work will be concentrated on the development of sugar cane to be grown on Cuban plantations.

Dr. Arceneaux is considered one of the outstanding sugar cane authorities in the nation and is now enroute to Puerto Rico to represent the Agriculture Department at a meeting at San Juan.

Little Devils Win From Okeechobee 11

The Pahokee Junior High baby Blue Devils won their opening game of the season when they traveled to Okeechobee Tuesday night and drubbed the junior Catfish, 27 to 6.

Coach Leland Keene, who is working with a very lightweight squad this year, has been stressing speed in his training program and the juniors responded with sweeping end runs and lightning thrusts through the line to run up a decisive end score against the heavier Okeechobee team. For Pahokee one touchdown each was scored by Jackie Miller, Pat Turbeville, Jimmy Hoyle and Jerry Roberts.

The junior high squad this season includes five lettermen, Donald Waddell, Jimmy Usher, Jimmy Hoyle, Billy Peacock and Johnny Peacock; also Charles Griffith, Pat Turbeville, Clark Chatk, Buddy Parker, Mickey Ryals, Harry Sheppard, Joe Parker, Ronnie Elliott, Jerry Roberts, Wayne Hill, A. A. Holmes, Jackie Miller, Clyde Alley, Jr., and Tarzan Bellamy.

Funderburk - Mills

Miss Mary Lou Funderburk, daughter of Mr. and Mrs. H. A. Funderburk of Pahokee, and Cpl. Davis Emmett Mills, U. S. Army, son of Mr. and Mrs. J. E. Mills, also of Pahokee, were married Saturday, Sept. 15, in Bainbridge, Ga., with Judge J. R. Deese officiating. The bride wore an aqua street-length dress with white accessories. She is a member of the Senior Class at Pahokee High School.

Cpl. Mills also attended High School. He joined the armed services a year ago and is now stationed at Camp Pickett, Va.

On their wedding trip the couple visited Cpl. Mills' grandparents in Brantley, Ala. Mrs. Mills will continue to make her home with her parents in Pahokee while completing her senior year at the local high school.

Horses stabled or raced last season at Hialeah have accounted for 40 per cent of the 206 stake races this year at Northern tracks.

250 Legion Folks Meet In Canal Point

Approximately 250 Legionnaires of the Glades area and their wives convened at the County Park community building in Canal Point last week for the installation of new officers of the American Legion Posts and the Auxiliaries of Clewiston, South Bay, Belle Glade, Pahokee and Canal Point.

Lou Duncan of Fort Lauderdale, American Legion Ninth District commander, acted as installing officer during the ceremony in which the new officers of the various Glades Posts were inducted.

The New Auxiliary officers were inducted by Mrs. J. R. Sutcliffe of West Palm Beach, Auxiliary Ninth District president.

Mrs. Art Ryan, national convention chairman for the auxiliaries gave a talk in which she outlined the activities scheduled for the American Legion National Convention to be held in Miami Oct. 18-23.

Mrs. Frederick B. Morrison, Auxiliary Ninth District secretary was introduced as a visitor. Representatives from Legion Posts and Auxiliaries of Fort Lauderdale, Hollywood, West Palm Beach, Okeechobee and Dania were present at the meeting which was followed by a covered-dish supper.

Guernsey Cattle Sale In Lake Worth On November 7th

LAKE WORTH—South Florida first pure bred Guernsey cattle sale will be held at the Boutwell Farm here November 7, it was announced this week.

W. A. Boutwell, Sr., a member of the state's Guernsey Cattle Club, said the event is being held here in an effort to encourage dairy men in South Florida to use Guernsey cattle and to promote the Guernsey breed in this section of the state.

Sight of the sale will be the Boutwell Farm where a herd of some 200 head of pure bred Guernsey and a like number of graded Guernsey cattle provide the milk for Boutwell's dairy customers—products which include Golden Guernsey milk, a premium product that is sold in only a few dairies in the entire state.

Consigned to the sale here will be about 50 head of pure bred Guernseys from North and South Carolina, Florida, Georgia and New York. Boutwell said that the animals to be sold at the November sale are some of the best cattle that these five states have to offer. The New York cattle will come from the J. C. Penny farms, Boutwell said.

The sale will be sponsored by the Guernsey Cattle Club and will bring club members here from across the state. Boutwell said that the club members would probably not be bidding for any of the sale cattle, leaving the buying to dairymen who are building up Guernsey herds.

The sale cattle will include animals from the Boutwell herd which has won nearly fifty prize ribbons in the past two years. The Boutwell herd at the present time includes both the state Grand champion and junior grand champion bulls and in addition the grand champion female.

Mrs. White Will Talk To Pahokee WSCS

Mrs. W. C. White of Okeechobee will be guest speaker at a general meeting of the Pahokee First Methodist Woman's Society of Christian Service to be held in the church Monday, Oct. 1, at 3:30 p. m. The program is being sponsored by the social Christian relations committee, with Mrs. J. T. Boynton, program chairman, in charge. Mrs. Ruth V. Meredith, president, will preside at the business.

Farewell Party For Miss Patsy Maxson

Members of the Canal Point Methodist Church Choir entertained in the Sunday School building Sunday night with a farewell party honoring Miss Patsy Maxson prior to her departure for Lakeland to enroll as a freshman at Florida Southern College. The choir presented Miss Maxson with a lovely gift in appreciation of her services as pianist for the choir for the past five years. Refreshments of ice cream and cake were served.

Miss Maxson was accompanied to Lakeland Monday by her parents, Mr. and Mrs. Earl Maxson.

Ft. Myers Expects Early Corn On Cob

(From Ft. Myers News Press) Roasting ears for Christmas! That's the plan of Lee County truck farmers who have doubled their sweet corn acreage this year for a total of 1,300 acres.

County Agent Carl Heuck says the increased planting of sweet corn is one of the most interesting of many local farm developments. "Last year we had 600 acres," said Heuck. "Indications for this year are 1,200 to 1,300 acres, one of the most spectacular growths in any county crop."

Many of the glad companies are turning to corn as an in-between crop to make use of fields which are "resting" after producing a crop of flowers. In rotation with cover crops such as sesbania, the

corn yields an income to supplement returns from glads. It's a good income, too. With the corn in good demand all through the winter at \$4.50 to \$5 a crate and each of the 1,300 acres yielding 125 to 150 crates, the total return from this one crop could reach \$975,000. (The figures leave out damage from bud and ear worms, the natural enemies of corn.)

Cinematic Chatter

By Malcolm Millar

I want to talk about Eddie Cantor today. I want to talk about him because I believe he is a man who tries to live a Christian life, and puts to practical use the 28th verse of the 3rd chapter of Galatians, in the Holy Bible: "There is neither male nor female: for ye are all ONE in Christ Jesus." Eddie appeared on the "Welcome Traveler" program last Friday. He

followed a Negro family on the program. The Negro man is a Pullman cook and was starting a youth center in his town in order that "there might be a better understanding between peoples of all races and creeds, starting with the education of the teen-ager." Eddie, after his usual comedy remarks, spoke about this youth movement the Negro man was starting. He complimented these people on their undertaking and closed with: "If you ever need my help in Any Way, just address a letter to me

in Beverly Hills, California, and I'll be happy to come to bat for you. I should also like the privilege of mailing you a check for your youth movement." That's Eddie Cantor, brought up in the slums of the East Side of New York . . . on personal speaking terms with poverty, when he was a youngster . . . Fighting his way to the very top rung in the entertainment field, he has never failed as a champion of the underdog, the underprivileged. He has waged a constant battle against race hatred

and is a 100 per cent American gentleman. See you at the movies —Mal.

Blakey Kindergarten Will Open Oct. 1st

Mrs. Arch Blakey will open her kindergarten for preschool children in the bungalow at the rear of the Pahokee First Methodist Church building Monday, Oct. 1, at 8:30 a. m.

Parents of children four and five years old who plan to have them

attend kindergarten, are asked to register these children at the bungalow Monday morning.

This is the fifth year Mrs. Blakey has conducted a kindergarten in Pahokee.

Mr. and Mrs. C. R. Wetherington, Jr., visited her mother, Mrs. Olive Levins, and other relatives in Pahokee over the weekend.

Hilda Grayson is a patient at the Everglades Memorial Hospital this week.

A Word Or Two From**Your Sunshine Service Organization**

Florida Power and Light Company service in Pahokee is supplied by the undersigned—your friends and neighbors.

Of course, we are backed by the resources of a sound and well managed business organization—extra manpower in emergencies, ample financing for expansion and improvements, top-notch engineering assistance. But in Pahokee, we are your Florida Power and Light Company.

Besides trying to do our jobs to the best of our abilities, day and night, rain or shine, we also try to be good citizens. We take part in our church, civic and school activities. We want to go places with Pahokee—to help it grow and grow and GROW!

We ask your vote of confidence in the coming electric franchise election. A big vote "YES" for the franchise on October 16 will inspire us to outstrip all past performances.
